Week Ending:
Friday 7th January 2022

Dear Parents,

Happy 2022! I hope the new year has got off to a great start for everyone. It was wonderful seeing everyone returning to school safe and well on Wednesday and there has been a real buzz of excitement around the school as the children have started learning all about their new topics. The children from year 1-6 will all be bringing home topic letters today from their teachers for you so that you know what each year group will be learning this term. The topic letters, together with the Knowledge Organisers we sent home before Christmas, also have lots of information and ideas about home learning and things you can do at home with your child to support their learning. There are some really fun projects and we've already seen lots of great examples of home learning you have been working on with your child being brought into school this week! Thank you for your support. We can't wait to see even more over the coming weeks!

Have a great weekend.

Take care,
Miss Arrowsmith
