Week Ending:
Friday 21st January 2022

Dear Parents,

It's been another exciting week at Green Meadow with children all showing great focus with their learning. The topics this term have really captured their imaginations and the children are already deepening their knowledge and understanding. Speaking to them around school, I am always impressed with the fascinating facts they share with me and just how much they have learned. This week, we have seen some more wonderful examples of home learning that children have been working on from their Knowledge Organisers.

Here are some wonderful examples from Emily, Hufton and Stanley in Year 2, Stella, and Francesca in Year 3, Blaine in Year 5 and a pupil in Year 6.

What creative children we have at school! If you've not yet embarked on working with your child on one of these projects from the knowledge organisers yet, please spend some time looking at them with your child over the weekend. You can find them [HERE](#) on the Year Group Pages on our website and they are great fun! Talking with your child about their topics whilst you get creative with them will also really support their learning. Please let your child's teacher know if you have any questions about how to support your child with their learning at home and we will be happy to help.

Best wishes,
Miss Arrowsmith

BAG 2 SCHOOL

FREE FUNDRAISING FOR SCHOOLS

In partnership with your school or organisation

Green Meadow Primary School

Bag 2 School is a company that specialises in the reuse and recycling of good quality second-hand clothing and we have arranged to make a collection from your school. All the bags will be weighed and you will be paid for the total weight collected. Remember, the more you collect the greater the benefit to your school.

By using this paper leaflet we are helping to reduce unnecessary extra plastic. Please use your own bag or bags (there is no limit). The leaflet is FSC accredited, please recycle it.

When the clothes have been removed from the bag the plastic will be packed and sent for recycling.

We are collecting good quality items for RE-USE:

Men's, ladies' & children's clothing, paired shoes, handbags, belts & accessories.

(No uniforms, workwear, pillows, duvets or pieces of fabric please)

The more we weigh the more we pay!

Extra bags are welcome - there's no limit

Hello, mathematicians!

This week, I'm curious as to how you would use a bar model to solve these worded problems.

Show your teacher your solutions to earn yourself 5 house points.

Good luck,
Mrs Whettell
