@Green_MeadowPS

Dear Parents,

What a wonderful start to the half term it's been and isn't it lovely now that the sun has made an appearance and it looks like it's here to stay! The children have returned to school ready and raring to go as we have that final push before the summer holiday to polish their skills and make sure they are ready for their next year in school. Learning behaviours have been superb in all of our classes. Children are ready, focussed and really determined to improve on at least one thing each day. I've been lucky enough to show three other headteachers from Excelsior round this week as they came to see OPAL lunchtimes and they were blown away by the children's manners, their confidence, their collaboration as well as their passion for learning. Well done, everyone! Next week, we will be welcoming even more visitors from across the city to school as we have been asked to showcase our stand out provision for PE and outdoor learning. We can't wait!

Well done this week to all of the Year 4 children who have been completing the Multiplication Check. They have worked so hard and loved rising to the challenge of the tests following their determination to learn all of the multiplication facts up to 12x12!

And finally, following consultation with parents, children and staff, the Green Meadow Offer is now ready to share with everyone! It is full of amazing experiences that we guarantee the children will have an opportunity to enjoy during their seven years with us at Green Meadow. Don't just take our word for it though...follow the link to see for yourselves! [Green Meadow Offer](#) Thank you to Mrs Cross for developing this throughout the year. It will be fabulous!

Have a great weekend everyone and remember your sunscreen!

LOST PROPERTY

Now that the warmer weather looks set to stay, we seem to have amassed rather a lot of jumpers and coats in lost property and we would love to reunite them with their owners! If your child has lost any of their uniform over the past week, please check lost property in the gym either before or after school.

Thank you.

OUTDOOR PLAY AND LEARNING

UPDATE

It has been a really exciting week this week with the opening of the climbing domes, the children love them! A huge thank you to the children in Year 4,5 and 6 who helped move the bark needed to go underneath them so quickly down to the field. The domes wouldn't have been open as quickly without your help. A big thank you to Mr D'Auncy and his son Eden for digging out the grass under the domes, especially in the heat. The last thank you goes out to Judy Malin for making these wonderful signs to inspire the children where to go on their magical adventures.

This week, we are looking for donations of spare door knockers. We would like to put them up in the outside area for children to use in their role play. If you have any to donate, please give them to your child's class teacher. I wonder who will be knocking on the doors?
