**HAPPY HOLIDAYS!**

Dear Parents,

Happy Friday everyone! I can't believe that it's the last day of half term. The time has flown by! I'd like to say a big thank you to all of the staff in school for all of their hard work this half term.

I have just been looking at the progress in the VR room and it is looking amazing already...there won't be much longer to wait until it is completely finished ready for the children to start using this truly ground-breaking resource. A huge thank you again to Excelsior who have made this all possible for us, to Mr Cocks and Mr Evans from the MAT IT team who are working closely with us and to Miss Spencer who is our Computing Lead for school for all that they are doing to make our dream of having a VR room, complete with its own mission control room, a reality! A great example of Succeeding Together and Aspiring from the Start.

This week, we launched our new whole school target to the children and we have been really impressed with their responses. We are all focusing on high quality presentation and we have seen some excellent examples of beautifully presented work and handwriting in all of the classes throughout the week. This will continue to be our focus when we return after the holiday so do keep a look out on the newsletter each week to see how well the children in each class are doing!

And finally, well done to all of the children in Marcus Rashford house who managed to amass the highest number of housepoints this half term! We hope you enjoyed your winning treat of extra OPAL time this afternoon!

I hope you all have a wonderful half term holiday and have time to enjoy time with family and friends. We are looking forward to seeing everyone back in school at 8.35am on Monday, 27th February.

Best wishes  
Miss Arrowsmith
