

# Pupil premium strategy statement – Green Meadow Primary School

Before completing this template, read the Education Endowment Foundation's guidance on [using your pupil premium funding effectively](#) and DfE's [using pupil premium guidance](#), which includes the 'menu of approaches'. It is for school leaders to decide what activity to spend their pupil premium (and recovery premium) on, within the framework set out by the menu.

All schools that receive pupil premium (and recovery premium) are required to use this template to complete and publish a pupil premium statement on their school website by 31 December every academic year.

If you are starting a new pupil premium strategy plan, use this blank template. If you are continuing a strategy plan from last academic year, you may prefer to edit your existing statement, if that version was published using the template.

Before publishing your completed statement, delete the instructions (text in italics) in this template, and this text box.

This statement details our school's use of pupil premium (and recovery premium) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the outcomes for disadvantaged pupils last academic year.

## School overview

| Detail                                                                                                                                                                           | Data                              |

# Part A: Pupil premium strategy plan

## Statement of intent

Our intention is for all pupils to achieve high attainment and to make at least good progress in all areas of the curriculum, regardless of their background or barriers to learning, thus closing the gap between disadvantaged pupils and all other pupils.

We consider the challenges faced by all vulnerable pupils and support their needs irrespective of whether they are disadvantaged or not.

At the heart of our approach is the embedding of quality first teaching in all subjects. Evidence suggests that high quality first teaching has the greatest impact on closing the achievement gap. This will therefore benefit all of the children, with the focus on disadvantaged pupils attaining as well as all other pupils and that this attainment is sustained and improved upon year-on-year.

Our Pupil Premium Strategy is a key part of our wider approach to education for all disadvantaged pupils.

Our approach is based on robust and accurate assessment of individual need. Our approaches to closing the gap compliment each other and are integral to our whole school development plan. To be successful we will:

- Ensure learning is well-matched to the needs of individual child
- Employ early intervention to ensure needs are identified and met
- Raise expectations through a culture of high expectation where all staff take responsibility for outcomes for disadvantaged pupils and high standards of achievement

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

| Challenge number | Detail of challenge                                                                                                                                      |
|------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1                | Low attainment on entry to reception, particularly with literacy and communication skills. Many children enter reception below age-related expectations. |
| 2                | MAT disadvantaged review, assessments, observations and discussions with children show weak oral and communication skills and language.                  |

|   |                                                                                                                                       |
|---|---------------------------------------------------------------------------------------------------------------------------------------|
| 3 | MAT disadvantaged review, assessments, observations and discussions with children show weak metacognitive skills and self-regulation. |
| 4 | MAT disadvantaged review shows that pupils have low cultural capital.                                                                 |
| 5 | School attendance and punctuality.                                                                                                    |

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

| Intended outcome                                                      | Success criteria                                                                                                                                                                                                                                                                                                                                                                                                                                               |
|-----------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Improved oracy skills and vocabulary of disadvantaged pupils.         | Improved oracy skills and vocabulary of disadvantaged pupils. There is a significant improvement in oracy for disadvantaged pupils along with a significant improvement in the range of vocabulary used for all forms of communication. Children are able to communicate their learning in depth. This is evident across the curriculum when triangulated with other sources of evidence, including engagement, book scrutiny and ongoing formative assessment |
| Improved reading attainment of disadvantaged pupils.                  | Improved reading attainment of disadvantaged pupils.<br>100% of children are fluent readers at the end of KS1.<br>Attainment for disadvantaged pupils in reading at the end of KS2 is higher than national data for ARE and GD and in line with all other pupils.<br>By 2024/2025, the gap between disadvantaged pupils and all other pupils has closed.                                                                                                       |
| Improved maths attainment for disadvantaged pupils at the end of KS2. | Improved maths attainment for disadvantaged pupils at the end of KS2.<br>Attainment for disadvantaged pupils in maths at the end of KS2 is higher than national data for ARE and GD and in line with all other pupils. By 2024/2025, the                                                                                                                                                                                                                       |

|                                                                                                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
|----------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                                                                                                                | gap between disadvantaged pupils and all other pupils has closed.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Improved writing attainment for disadvantaged pupils at the end of KS2.                                        | Attainment for disadvantaged pupils in writing at the end of KS2 is higher than national data for ARE and GD and in line with all other pupils. By 2024/2025, the gap between disadvantaged pupils and all other pupils has closed.                                                                                                                                                                                                                                                                                                                        |
| To exceed nationally expected progress in RWInc Phonics from their starting points                             | By 2024/2025, disadvantaged pupils achieve national average expected standard in Phonic Screening Check.                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| To achieve and sustain improved wellbeing for all pupils in our school, particularly our disadvantaged pupils. | <p>Sustained high levels of wellbeing from 2024/25 demonstrated by:</p> <ul style="list-style-type: none"> <li>• qualitative data from pupil voice, parental surveys and observations a significant improvement in learning behaviours, in particular, resilience</li> <li>• a significant increase in participation in enrichment activities, particularly among disadvantaged pupils</li> </ul>                                                                                                                                                          |
|                                                                                                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| To achieve and sustain improved attendance for all pupils, particularly our disadvantaged pupils.              | <p>Sustained high attendance from 2024/25 demonstrated by:</p> <ul style="list-style-type: none"> <li>• the overall attendance rate for all pupils being at least 97% with no attendance gap between disadvantaged pupils and their non-disadvantaged peers being significantly reduced. Attendance for disadvantaged pupils will increase from 93% to at least 97%.</li> <li>• A significant reduction of the number of disadvantaged pupils who are persistently absent. The percentage will decrease from 14% to below the national average.</li> </ul> |

## Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium) funding **this academic year** to address the challenges listed above.

### Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £184,300

| Activity                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | Evidence that supports this approach                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | Challenge number(s) addressed |

| <p>Embed high quality teaching in all year groups for all subjects by providing bespoke CPG for all teaching staff based on pedagogical research. As part of this, we will focus on enhancing feedback, meta cognition, self-regulation and dual coding.</p> <p>CPG focus on Walk Thrus- metacognition and dual coding (EEF research).</p> <p>Use of iRIS to support teacher's self and coach evaluation.</p> <p>Use of release time to support paired teaching.</p> <p>Coaching for all teachers.</p> <p>Planning clinics.</p> <p>Employment of learning mentor.</p> | <p>There is strong evidence that quality first teaching is pivotal in improving children's outcomes through narrowing the disadvantage gap. Research shows that promoting effective professional development improves classroom practice and pupils outcomes. High quality first teaching has the greatest impact on closing the gap between disadvantaged pupils and all other pupils. There is strong evidence to indicate that high quality feedback has a significant impact on progress and attainment of all pupils. <a href="#">Feedback   EEF</a></p> <p><a href="http://educationendowmentfoundation.org.uk">educationendowmentfoundation.org.uk</a></p> | 1,2,3,4                       |
| Enhance children's metacognition and                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | There is some evidence to suggest that disadvantaged pupils are less likely to                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                               |
