@Green_MeadowPS

Dear Parents,

What a superb return to school we have had this week. The children have settled quickly into their new classrooms and are showing their new teachers just what superstars they are!

It has been wonderful to welcome our new staff members this week. We are so pleased to welcome Miss Lodge as class teacher in Year 5 and Assistant Headteacher for Maths, Miss Okosun as class teacher in Year 6 and Whole School Curriculum Lead and Miss Wheeler and Miss Akbari as class teachers in Year 4 and Year 2. We know that you will make them very welcome as they join the Green Meadow family.

This week we have focussed on learning new routines and setting high expectations. The children have worked on a NO Outsiders project. Using a NO Outsiders book as a stimulus, each year group has explored their No Outsiders story using written responses and artwork. This learning will be used to make our corridor displays so if you visit us, please make sure you have a look at the children's amazing learning!

Thank you so much for the attention and care you have taken to ensure all the children have returned to school looking so smart in their correct uniforms. Please make sure, if you haven't already, that all uniform is named. This really helps us to return any lost items to their owner quickly. Please also make a note of new PE days which you can find in the red bar to the right.

Best wishes,
Mrs Cross and Mrs Stirrop

Composer of the Week!

Johann Sebastian Bach (1685-1750):

Johann Sebastian Bach was born in Germany, where his father was a town musician. Bach came from a long line of composers – over 300 years' worth of Bachs all worked as professional musicians.

During his lifetime, people thought of Bach as just an ordinary working musician. No one really knew much about his music until 100 years after his death, when another composer, Felix Mendelssohn, conducted a performance of Bach's St. Matthew Passion.

Bach is now seen as one of the greatest geniuses in music history.
