

Week Ending: Friday 19th September 2025

@Green_MeadowPS

Dear Parents and Carers,

Thank you so much for another week of 'succeeding together' at Green Meadow.

As we speak, our new Pupil Parliament are in London to visit the Houses of Parliament to find out all about British democracy. They are having a wonderful time and have also been visiting some of the most well-known sights in London, including Westminster Abbey, Buckingham Palace and Downing Street. We can't wait to hear all about their adventures next week!

We are delighted that our fantastic maths home learning platforms are available for the children to practise their maths skills at home because as we know, practise makes perfect! For more details see the messages below from Mrs Whettell.

With all good wishes,
Mrs Cross and Mrs Stirrop

Our amazing maths home learning platforms!

It's all ready to go!

Mathletics is an educational platform that provides interactive maths resources for children in Years 3 to 6 to practice concepts, improve skills, and boost confidence in mathematics. It offers features like games, challenges, and rewards. So, encourage your child to spend a little time completing their maths home learning. They will be rewarded with certificates and maybe even have a chance of winning the class trophy!

TIMES TABLES ROCK STARS

Welcome to Times Tables Rock Stars!

This is a fun online programme for Years 3 to 6 designed to help your child learn their times tables each week. Times tables are part of the foundation for maths, and we are encouraging children to access this amazing learning tool for 5 minutes a day. Your child has been given their password and login details so they can start today. Enjoy, all you rock stars!

Spotlight on Safeguarding

OPERATION
ENCOMPASS

We are an Operation Encompass School

For further information, please come and see us.

OPERATION
ENCOMPASS

Operation Encompass is a national scheme that operates jointly between schools and all police forces.

Children who live in homes where there is domestic abuse, or who experience domestic abuse in their own teenage relationships, can be negatively impacted by this experience.

Children who experience domestic abuse are recognised as victims of domestic abuse in their own right¹.

We have ensured that a member of our staff, (Designated Safeguarding Lead) known as a Key Adult, has been trained about Operation Encompass procedures. This allows us to use the information that has been confidentially shared with us by the police, to understand how a child may be impacted by domestic abuse and to then offer support to the child/ren in our care.

Operation Encompass means that our school will be told, prior to the start of the next school day, when police have attended an incident of domestic abuse where there is a child or young person who attends our school who is related to any of those involved in the incident.

This information means that we can understand a child's behaviour and support that child in whatever way they may need or want.

We are keen to offer the very best support possible to all our pupils and we believe that being part of Operation Encompass helps us to do this.
