@Green_MeadowPS

Dear Parents,

It's been another great week here at Green Meadow. We were so excited to achieve our best attendance day yet this year with 97.1% of pupils attending on time! What great news and a huge boost to opportunities to learn! Thank you for working with us to ensure children are in school on time everyday to achieve the very best standards in their learning.

On Friday last week we all enjoyed reflections on Easter assemblies with our friends from Birmingham City Mission. As always the children loved hearing their inspirational stories! Thank you to Matt and the Birmingham City Mission team!

Please look out for the summer term club letter which will come out today via Arbor. As usual, the staff have offered a wide variety of super-fun after school clubs. A huge thank you to the staff who give up their time to offer these free after school clubs for the children.

As the summer term hots up, please make sure you are sending children to school with water bottles filled with fresh water each morning. The children can re-fill their water bottles as often as they need during the school day using our filtered water machines. Some children are bringing very large water bottles/cups which we are finding very difficult to transport around school in our water crates. Please send in 1 litre or smaller sized bottles to enable us to move the water bottle crates around the school. This enables the children to have them on hand when they need them. Please also remember to send in sunhats and to apply sun cream before school.

Have a lovely sunny weekend!

Best wishes,

Mrs Cross and Mrs Stirrop
